3) Personal Writing

   a. **Answer the following question in English: <u>Why do you want to attend Nunavik Sivunitsavut?</u>**

Answer this question in 1-2 pages, that are typed, double-spaced and 12 point font. Try your best!

We strongly recommend that you work on your answer in a separate word document, and copy your answers into the form.

   b. **Answer the following question in Inuktitut: <u>What does the Inuktitut language mean to you?</u>**

Answer this question in 1-2 pages. Your answer should be typed and in syllabics or roman orthography. Try your best! If you do not have AiPai installed on your computer, you may submit a hand-written answer. If you do so, please email a picture of your answer to info@sivunitsavut.ca.

If you cannot write in Inuktitut, you may respond in English. We encourage you to attempt to answer the question in Inuktitut, as it will help us better meet your needs should you be accepted into the program. Writing in English will not work against you in the admissions process.

We strongly recommend that you work on your answer in a separate word document and copy your answers into the form.

* <u>Note</u>: For the past two years, one of the main things that separated people who got into the program from those who did not get in was how much they included in their answers to these two questions. So please, **write as much as you can**.
